

MAKE ME A VALENTINE

Skill: parts of the whole

Need: file folder and valentine pages 49 and 50

To make:

1. Reproduce pages 49 and 50 from the book.
2. Color all items. Be sure to use the same colors for the parts and their matching wholes.
3. Cut the pages into squares and glue the "parts" squares to the file folder, leaving room for the "whole" squares beside them.
4. Laminate all pieces.* Store the whole squares in a resealable bag.

* The boxed instructions can be glued to the file folder before laminating if desired.

How To Play: Match the valentine gift to the picture that shows all the pieces needed to make it.
